

# PFM790

## HDCVI External Power Isolator

### Features

- Power supply isolator, to solve the HDCVI image interference caused by power supply effectively;
- Apply to indoor or in junction box;
- Working temperature: -30~+60°C.

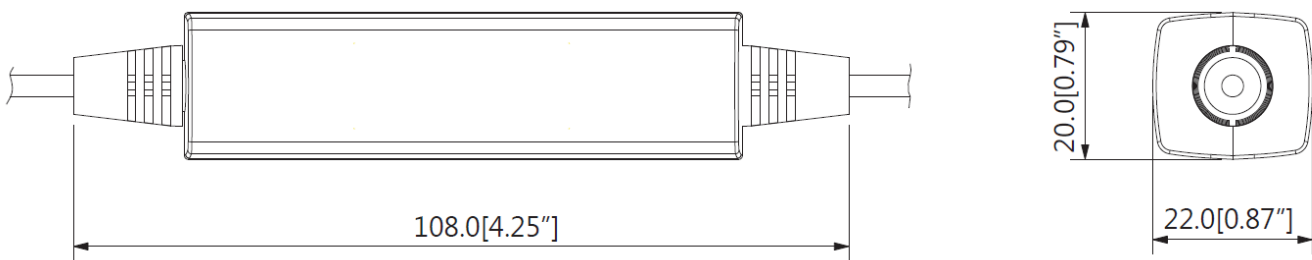

## Technical Specifications

<b>Model</b>	<b>PFM790</b>
<b>Properties</b>	
Input	DC12V±20%
Output	DC12V±5%
Output Current	Max. 400mA
<b>Physical Properties</b>	
Dimension(LxWxH)	108mmx22mmx20mm (4.25"x0.87"x0.79")
Color	Black
N.W.	31.6g (0.07lb)
Patch Cord Length	50mm (1.97")
<b>Environmental</b>	
Working Temperature	-30~+60°C (-22°F~+140°F)
Humidity	0~95%(non-condensing)

## Order Information

Type	Part Number	Description
HDCVI Accessories	<b>PFM790</b>	<b>HDCVI external power isolator</b>
	PFM791	HD video isolator
